Strengths and Innovative Approaches

Rating Narrative

Thaise Educational and Exposure Tours (TEET) St. Petersburg is a non-profit community based provider that works to improve the quality of life for at-risk youth. The agency provides these services through conducting educational exposure tours that empower, educate, and motivate youth to attend college as well as counseling and case management services. CINS/FINS services are provided to youth 10-17 years of age in Pinellas County, Florida. Services for this program are primarily provided in the cities of St. Petersburg and Clearwater, as well as other area communities designated as High Crime Zip Codes.

In addition to providing outreach, referral, counseling, and case management services, TEET staff offer Enrichment Classes twice per month at a local community center where youth receive education on a variety of topics such as: life skills; pregnancy prevention; job skills; substance abuse prevention; HIV/AIDS awareness; anger management; crime prevention; and college preparation. Youth have the opportunity to earn their way to participate on college tours and other agency sponsored field trips as incentives for attendance. In addition to the enrichment classes, youth are enrolled in self-development efforts such as participating in Speaker's Bureau to improve their communication skills.

Although the majority of services are provided in the youth's home, TEET partners with the Enoch Davis Community Center located in St. Petersburg, Florida that serves as a drop-in center for youth and provides office space for the program and staff. The program's administrative office is located in a large single office located inside the Enoch Davis Center. The Enoch Davis Center is home to a multi-faceted Seniors Program, Unemployment Assistance, City Services, Day and After School Programs, as well as a central point for hosting various youth and family activities for the community. TEET also receives direct referrals through the Enoch B. Davis Center, as well as local area elementary, middle and high schools.

The CINS/FINS St. Petersburg program is staffed by Teresa Clove, Executive Director; Barbara Burnett, Program Manager; Cara Dixon Taliaferro, LMHC, Therapist; and Blondell Clove, Administrative Assistant. Since the last on site visit in December 2015, the agency has added additional clinical expertise. Ms. Taliferro, is now a Licensed Mental Health Counselor (LMHC) serving on staff to all the clients in the St. Petersburg service region. There are no other changes to the program's staffing or any major areas of its approach to service delivery. The agency maintains the following: 1) Case Manager that is responsible for managing all cases and data entry and daily office

Level 2 background screening is mandatory for employees and volunteers, working with direct access to youth, to guarantee they meet statutory requirements of good moral character as required in s.435.05, F.S. No new staff were hired during the past year and there were no applicable 5-year re-screenings for the review period. However, the program utilized the services of two volunteers during the current FY.

The primary goal of the CINS/FINS program is to provide services to pre-delinquent youth and their families in an effort to prevent entry into the Juvenile Justice System. Staff training ensures that staff assigned to the program has the proper credentials to perform their job responsibilities. Program orientation and training is an essential component of this effort. This occurs upon hire by the agency's Executive Director at all three (3) TEET locations. The TEET staff are trained to conduct screenings and assessment services to youth and families that meet the CINS/FINS criteria. Individual training records are maintained in a binder for each staff that includes: training plan, individual certificates, and training hours. The provider has numerous partnership agreements throughout the local service area and conducts outreach to educate the community and market the program's services. The agency also attends DJJ Circuit Meetings.
